

USAF AND RSAF INNOVATION WORKSHOP

Republic of Singapore Air Force Innovation Education Workshop

31 Aug 2021

MWX hosted an Innovation Education Workshop between the US Air Force and the Republic of Singapore Air Force; Sponsored by AUIX and AFWERX. Airmen from the Republic of Singapore and the US Air Force were able to collaborate with each other on innovative solutions to shared problems. The MWX hybrid approach used International VTC to the Singaporean Airmen and AFWERX leadership from Las Vegas into the room with live USAF Airmen. We used the Miro whiteboard tool to capture ideation event inputs.

Event Outcomes

- Used International VTC capability to connect with Singaporean Airmen and AFWERX leadership in Las Vegas
- Attended by 27 US Airmen and 19 Singaporean Airmen
