# Halcyon Elementary K12 Pitch Competition

## 3 May 2022

MGMWERX, in partnership with Alabama Power, hosted the inaugural elementary school pitch competition: "If It Is To be... It Begins With Me!"

Twelve students from Halcyon Elementary's Fifth Grade class, along with a teacher/facilitator, presented topics to a panel of judges to compete for a \$5,000 donation. The topics included a recycling program, a cultural diversity book club, upgraded robotics programs/lab, and outdoor learning spaces.

All participating students received a medal and certificate of appreciation. The winning groups, "Halcyon Coding Corporation" and "Environmental Friendly Action Plan Club (EFAP)," received a \$5,000 donation to complete their respective projects. Additionally, each student from the winning teams received a Quest 2 Oculus headset as a surprise gift.

## Event Outcomes

- 12 fifth grade students participated
- Total \$10,000 donation made on behalf of Alabama Power
- 2 of 4 groups received \$5,000
- Total 8 students received VR headsets
